AMENDED EMERGENCY MOTION FOR PROTECTIVE ORDER

COMES NOW, the Defendant, The Cadle Company, by and through the undersigned counsel, pursuant to Rule 26(c) of the Federal Rules of Civil Procedure, and requests a Protective Order postponing the deposition of the Defendant, which has been scheduled for Wednesday, September 19, 2007, to be taken in Newton Falls, Ohio. As grounds for this motion, the Defendant states as follows:

1. The Defendant has just, as of September 17, 2007, retained the undersigned counsel in this case, and counsel has not had an adequate opportunity to become familiar with the facts and legal issues that are presented. Counsel needs additional time to review the file and confer with the Defendant concerning these matters.

2. The corporate representative that the Defendant would designate as the 30(b)(6) representative is scheduled to participate in a trial in another matter on Wednesday, September 19, 2007, the date that this deposition has been scheduled.

3. The discovery deadline in this case is May 19, 2008. Therefore, a postponement of the deposition should not affect the existing scheduling order or cause undue delay.

4. Before filing this motion, defense counsel conferred in good faith with counsel for the Plaintiff in an effort to resolve this dispute without court action. This matter may still be resolved without court action and, if so, the undersigned counsel will notify the Court immediately that this motion is moot. However, at this time, counsel for the Plaintiff has not agreed to voluntarily postpone the depositions.

5. The Defendant has volunteered, and agrees, to reimburse the Plaintiff's attorney for any non-refundable travel expenses that he has actually and reasonably incurred in connection with the scheduled deposition, to the extent no refund can be obtained.
